SIR

Subject - REVISION OF THE SCALE OF PAY OF THE [illegible] INSPECTORS (MISTRIES) OF THE BANGALORE CITY MUNICIPALITY

In continuation of this office Letter No A5-C 484/47-48 dated 6-6-1949, regarding the above subject, I have the honour to state that sanction of Government has been accorded in the Government Order No L 8899-901/ 1 10-48-80 dated 7-2-49, for revision of pay of five maistries only instead of six, as per proposition statement forwarded along with the Municipal Engineer's Report No E 2 PR 2/48-49 dated 19-7-48, as stated in this office letter No A5-C 484/47 dated 27/31-8-48 A copy of the proposition statement is forwarded herewith for ready reference According to this statement it will be seen that sanction to the revision of pay of the Maistries of the Municipal Garden Establishment (Sl No 4 of this statement) has not been accorded

It may be mentioned in this connection that the above item along with others had been included in the subject placed before the Municipal Council at their meeting held on 3-5-48 a copy of which has been sent with this office letter No A5-C 484/48-49 dated 14-5-48 wherein this item appears to have been omitted due to error

I, therefore request you to kirdly obtain sanction of Government to the grant of revised pay to the maistry of the Municipal Garden Establishment as in the case of other temporary

temporary maistries, as this has been sanctioned by the Managing Committee dated 15-4-48 and also by the Council on 3-5-48 A Copy of the Municipal Engineer's report No E2 PR 2/48-49 dated 22-2-49 seeking sanction in the circumstances therein is enclosed herewith for information and reference

Sir

With reference to your Letter No A S C 4824/48-49 dated 25/28-7-49 requesting sanction to the grant Revised pay of Rs 351 (Three) to the Master of the Municipal Garden establishment also which has been ordered to be reviewed for future along with the other Masters etc as suggested in the above G O dated 7-2-1949, I am directed to state that the proposition submitted to the Municipal Engineer with his Report No E & P R 2/48-49 dated 19-7-48 was not found to fall in all the previous references ~~in the proposals~~ communicated as accepted for revision from time to time of the posts of temporary Masters were referred to, ~~was~~ & the question of the category of appointment was not decided in the Resolution of the Municipal Council at any time

It is seen from the Records

That the Municipal Engineer has
referred to this matter as on 29.2.49
though then exactly it was
detected is not known. There was
plenty of time for the Municipal
Office to have corrected this error even before Sanctioning the Revised
and it is not known why this was
not done after the issuing orders and
to Contractor. Few months after it was
observed by the Municipal Engineer
The encroachment of the Municipality
is on the concrete and it is
necessary that it should be

We therefore to suggest that this

if found necessary to be retained the
Contractor thereof arranges to be provided

SIR

SUBJECT Revision of the scales of pay of the Work Inspectors (Maistries) of the Bangalore City Municipality

With reference to your letter No A5 C 484/48-49 dated 25/28th July 1949 requesting sanction to the grant of revised pay of Rs 35/- per mensem (fixed) to the Maistry of the Municipal Garden establishment also whose case has been omitted to be considered for revision along with the other Maistries in the ~~above~~ Government Order dated 7th February 1949, I am directed to state that the proposition statement said to have been submitted by the Municipal Engineer with his report No E2 PR 2/48-49 dated 19th July 1948 was not sent to Government with the previous references In all the communications received from your office, only five posts of temporary Maistries were referred to and the number of this category of officials was not indicated in the resolution of the Municipal Council at any time

It is seen from the records that the Municipal Engineer has referred to this omission on 22nd February 1949, though when exactly it was detected is not known There was plenty of time for the Municipal Office to have corrected this error, even before sanctioning the revision, but the matter is referred to Government after the issue of orders and five months after it was observed by the Municipal Engineer The expenditure of the Municipality is on the increase and it is necessary that it should be cut down I am therefore to suggest that this post may either be retrenched or if found necessary to be retained, the cost thereof arranged to be provided for ~~in~~ by cutting down the post of the Maistry for lay-outs or one of the Maistries of the Decoration Gang establishments

It has also to be pointed out that the Maistry for Special Gang

for intensive cleaning should not have been included in this statement, as he belongs to the Health Section Department and not to the Engineering Section and also his pay is not borne on work-charged establishment also as in the case of other Maistries employed in the gangs of the Health Section, the revised scale of pay is fixed at Rs 25-1-30 This scale should be adopted for this maistry also in the interests of uniformity Further, his pay should not have been recommended to be raised to Rs 35 This aspect may be considered and further proposals sent to up soon

Yours faithfully,

for General Secretary to Government
